To Whom It May Concern,

We were granted approval for a land development in 2013 under Bobs Auto Parts Redevelopment, Ublado and Elsa Ferri (Developers). We are requesting an extension for this approval since it expired in 2018. I am attaching the Resolutions No 13-1529 and 13-1530. We are looking to build a smaller building then originally proposed and are requesting that #6 on Resolution No 13-1530 installation of streetlamps be removed.

Sincerely
