

PARKS & RECREATION REPORT – MARCH 2021

April 6, 2021

Parks Update

Padden Park Project - The pavilion and restroom installation continues to move along. The project should be completed in the coming weeks.

Firehouse Recreation Site Project - The prefabricated restroom building was delivered and set on March 16, 2021. Utility connections are currently being made. The final coat of blacktop will be applied to the parking lot thereafter.

Centennial & Padden Parking lot projects - Both parking lot designs have been finalized and the project is ready to be advertised.

Community Events

The Department hosted **Peter Cottontail's Egg-travagant Drive-Thru** on Saturday, April 3, 2021 at the Township Building. The holiday event was held for West Norriton Township children between 1 to 8 years of age. Each child received a holiday themed bag stuffed with eggs, a large chocolate bunny, a plush toy and more. All 175 children who came and got their bags were able to see the Bunny as well. Pre-Registration was required, and the event was limited to Township residents only. Special thanks to the Recreation Committee and our Event Sponsors.

Program Update

A complete listing of currently offered virtual and in-person programming can be found on the Parks & Recreation page of the township website.
