

**WEST NORRITON TOWNSHIP
SANITARY SEWER ENGINEER'S
MONTHLY REPORT
for the Board of Commissioners Meeting on
April 13, 2021**

Special Projects

1. PA Small Water and Sewer Grant Application – Forest Avenue PS Project has been awarded \$150,000 in grant funding from DCED on September 18, 2018. Bids have been received for the Project and awarded to A.J. Jurich, Inc. (General/Mechanical Contractor) in the amount of \$127,000 and Wise Electrical Contractors, LLC (Electrical Contractor) in the amount of \$121,100, including Alternate No. 1 per Recommendation Letter. Contract Agreements have been properly executed. Pre-Construction meeting was held and notice to proceed was issued. Reviewing submittals.
2. Sewage Facilities Program Grant Application – PA DEP approved Plan of Study and Task Activity Report on May 23, 2018. 537 Plan Update was awarded full grant amount of \$69,000 (50% match) for this project. Agreements are executed and plan preparation is underway.
3. Rittenhouse Pump Station Force Main Analysis – Report issued to Commissioners for review.
4. State & Tribal Assistance Grant Application – Submitted application for Community Project Funding: Interior & Environment Subcommittee on April 5, 2020 for consideration of the Rittenhouse Blvd. Pump Station Force Main Replacement Project. The request was for a total project cost of \$4,000,000, and the Township would be responsible for a 20% match of \$800,000. Project is for the replacement of approximately 8,500 linear feet of 18" force main with new 24" pipe from the pump station to Stony Creek.
5. 2021 Road Paving Program – Working with Township Staff and municipal engineer to coordinate any necessary sewer work prior to paving.
