RE: Bar from Jeffersonville Golf Club Property

Dear Mr. Cost:

On July 6, 2021, you entered the Pro-Shop at Jeffersonville Golf Club and made terroristic threats to the staff. You also made threats of bodily harm against golfers and those who had come close to your property. Your actions constitute a threat to individual golfers and public welfare.

Based on your criminal behavior, you are no longer permitted to travel at will onto the Jeffersonville Golf Club Property. You must not and are not allowed to cross over the property line onto the golf course. This bar from traveling onto Jeffersonville Golf Course at-will takes effect immediately and can only be reconsidered by submitting a reconsideration request to the Board of Commissioners. This indefinite ban will be reviewed by the Township Board of Commissioners at an upcoming meeting.

If you travel onto the Jeffersonville Golf Club without permission or a scheduled tee time, you will be cited for criminal trespass under 18 Pa. C.S.A. Section 3503. The statute allows citations for being a defiant trespasser when an individual enters or remains in any place as to which notice against trespass is given. This letter serves as the required notice under the statute.

The Township takes the safety and security of its residents and guests of our public golf course seriously. If you have any questions, call me at (610) 631-0450 to discuss this matter.

Sincerely,

Jason Bobst
Township Manager
