

EAC Meeting Minutes September 5, 2018 6 PM

Attended by : El-Tirib McKelvy, Curt Huston, Robert Kline, Jean Bochnowski

National Night Out:

- Need to learn what recycling company is used by township for future events
- Event needs more visibility across township
- Children activities draw visitors to EAC table, brainstorm for future events

PA Sustainable Award

- Township now certified Silver
 - Details needed around what points township earned. Use for improvements. What can be done better?

Community

- Discuss how EAC can get insight to local shredding events and help to promote events
- Lower Merion and Radnor EAC's discussed as models to visit and learn ideas to bring back to local EAC

Native Plant Resolution

- Send resolution to Township Manager for review and determine township support
 - Determine where township if/can supplement public spaces with native plantings
- Jean to follow up with climate champions on letter of commitment to assist township if resolution is adopted

Vision Statement

- Need to develop Vision statement
- Look into Montco 2040 Plan for ideas to leverage
- Drew Shaw identified as contact at Planning Commission for input

Other Local EAC

- Radnor (website recognized as detailed) and Abington identified as other local EAC's to visit and get more details on their efforts
- Jean would like to lead reach out to Abington EAC

Blue Marsh Reservoir

- Eagles nest sited on Barbados Island
- EAC communication on sighting to be determined

Meeting adjourn 8 PM
